

# Native Medicinal Plant Walk

**Sat., September 4, 2010: 9 am - noon**

*Useful plants, both gentle and powerful, abound in the sheltered zone along our coastal rivers. Find out what Native Americans, settlers and soldiers found to feel better and cure their ailments. Savannah's specialist in naturopathic healing, Peter Brodhead, will lead your walk to forage for and learn both historical and current medicinal uses for native plants.*

**\$20/person. For reservations call 912-236-8115.**

**Sign-up online at [www.wilderness-southeast.org](http://www.wilderness-southeast.org)**
