

More About Our Speaker: Dr. Mary Bove

Mary Louise Bove, N.D., A.H.G.

Dr. Bove obtained her Doctorate of Naturopathic Medicine and Midwifery Certification from Bastyr College of Natural Health Sciences in Seattle, WA. She also received her Diploma of Phytotherapy/Herbal Medicine at the School of Phytotherapy in Great Britain, and was

elected to membership in the National Institute of Medicinal Herbalists in London.

Dr. Bove practiced Naturopathic Family Medicine and Midwifery at the Brattleboro Naturopathic Clinic, Brattleboro, VT. for 24 years, specializing in Naturopathic Pediatrics. Once a full-time faculty member at Bastyr University, she chaired the departments of Botanical Medicine and Naturopathic Midwifery.

She is the author of the *Encyclopedia of Natural Healing for Children and Infants*, considered an authoritative reference on natural pediatric medicine. Mary Bove co-authored *Herbs for Women's Health* and has been published in many magazines, journals and collaborative books on botanical and natural medicine.

Dr. Bove lectures and teaches internationally on the topics of naturopathic medicine, botanical medicine, pediatrics, natural pregnancy, childbirth, traditional food medicine and mind-body healing. In collaboration with Gaia Herbs®, Dr. Bove developed an herbal remedy line designed specifically for children. She is currently Medical Educator for Gaia Herbs located in Brevard, NC.
